CHILDHOOD AND YOUTH STUDIES INDUCTION 2017/18

The Open
University

WELCOME

It is with great pleasure that we welcome you to the Open University and our community of academics, practitioners and students.

We have put together a number of events that are designed to give you the best possible start and aimed at helping you settle as easily as possible into your new module and qualification.

Each week features a number of activities, some of which are tailored to your qualification (see table) and others offer more generic support and information for all students (over page). We hope that you can join us and take the opportunity to meet your qualification team and fellow students.

We look forward to meeting you and hope you enjoy your studies.

(Associate Head of School- Programmes)
