I am very scared in these moments and I have no friends with me. Age 12

I like that the NHS is helping to fight the coronavirus. Age 7

I am worried and worried. My worry is for my friends. Age 5

When there is Coronavirus I feel like I am in jail. When there isn’t, I feel free! Age 8

You can’t do anything you want to do and you have to learn endlessly. Age 8

We acquire knowledge in a different way. Age 12

I like how it has given us a bit of a break and it’s helped us relax for a little bit. Age 9

I like that there aren’t that many transport ships and other traffic that pollutes the environment. Age 8

I learned to work with computer, time management and independence. Age 11

I am afraid, but I don’t understand fully how it works. Age 6

I like the care among people for each other. Age 8

I’m scared that someone I know could get it. Age 9

I’m afraid my grandparents will die. Age 7

I am feeling quite sad because we have to do learning at home and we always feel lonely. Age 10

I get to stay at my mom’s house and cuddle with her. Age 7

I think that people don’t realise that there are worse illnesses in the world. I feel that people are over-reacting to it. Age 10

The virus gets too much attention. Age 8

I value life more. Age 12

I’m happy because I don’t have to put my hand up for things and I don’t have to eat school dinners. I still do work but the teachers are more relaxed and I can watch things that are more interesting to me. Age 10
