**RESEARCH INTO HOW OTHER PEOPLE'S
OPINIONS LINKS TO OTHERS**

I am investigating the opinions of people who like football.

My method was to do a questionnaire and gather people's opinions on football players. And I borrowed 9 children.

I asked 8 questions. I used 'top of the head' questions and 'deep thinking' questions. I was looking for connections and differences.

METHODOLOGY

- ▶ Taking part in this project meant knowing how different we all are. It also meant knowing that our minds are non-countable, as we all make different connections.
- ▶ I interviewed 9 people, 6 from Year 5 and 3 from Year 2.
- ▶ All my participants liked football. I knew this through my talks with them.

PARTICIPANTS

▶ Ethical means using words wisely.

For example, in my questionnaire, I didn't say who my favourite player is, because the research was about Year 2 and Year 5, not about me.

- ▶ I asked people's permission if they wanted to take part.
- ▶ People didn't need to write their names on the questionnaires, and I didn't tell anybody what anyone else had thought.
- ▶ I also thought about how Messi and Ronaldo might feel about me using their names and photographs in this presentation.

ETHICAL ISSUES

- ▶ I found out that people actually like a lot of other football players, based on how they play and how they perform on the pitch.
- ▶ Favourite striker/attackers: Aubameng, Suarez, Kane, Firmino, Augero, Salah, Dybala, Sterling
- ▶ Midfielder: De Bruyne , Rakitc, Iniesta, Pogba, Ale
- ▶ Defender: Van Dijk, Pique, Silva, Marcello, Ake, Loveren
- ▶ Goal keeper: de Gea, Neuer, Kepa, Allison, Buffon

WHAT I FOUND OUT ?

- ▶ Four players were mentioned as football heroes: Ronaldo, Pele, Ronaldhnio, Hazard and Messi
- ▶ Pele was the favourite
- ▶ Reasons given: good at goal scoring, fast, shooting, good skills, scores in the last minute, never misses a free kick

WHAT I FOUND OUT

I found out that people really admire players of the different teams they support

WHAT I FOUND OUT

- ▶ If I did this project again, I would do the questionnaire in silence but the people could still ask questions.
- ▶ Now I've found out about football players, I noticed that the answers were all male football players, so if I did the project again I would go into female football players and give my opinions on this and encourage others.
- ▶ What is important for people to know about children's views and children's rights, is that we all think differently and this interests me .
